

JUST SAY SHEMA II

From Prayer to Practice

*In February 2008, **Torah Links** launched **JUST SAY SHEMA I**, a learning campaign, whose goal was to educate participants in the core belief of the Jewish people. The program featured a four part lecture series, including a creative kid's program encouraging children to say Shema at bedtime. Subsequently the program was adapted by a number of outreach organizations in 22 cities throughout the United States and Canada.*

*Building on last year's success, Torah Links introduces **JUST SAY SHEMA II**, whose goal is to bring Shema from prayer to practice. A four lecture part series with practical applications to enhance the Jewish home is this year's focal point. with the opportunity to gain new insight into the practicalities of this timeless prayer.*

***Torah Links** is proud to present this supplementary guide; paving the way for you to bring Shema from prayer to practice. This booklet includes explanations, insights and sources of the four components of **JUST SAY SHEMA II**. We hope you find it to be a useful tool in bringing Shema into your homes and into your lives.*
